Season #14
Parent Handbook

Welcome to Season 14!

Welcome to Elite Dance Academy!

We're thrilled to welcome you and your child to our dance family. At EDA, we value the opportunity to play a meaningful role in your child's journey—both as dance educators and as mentors. Our goal is to spark a lasting love for dance while helping students build confidence, character, and cherished memories.

Elite Dance Academy is dedicated to offering high-quality instruction in a positive, supportive setting. Our experienced and caring instructors create a safe space where children can grow artistically and personally. We believe that a nurturing, student-focused environment helps young dancers thrive—not just in technique, but in self-expression and personal development. Dance training does more than teach movement—it promotes body awareness, builds coordination, and strengthens self-esteem. Through dance, children learn to express who they are, connect with others, and discover the joy that comes from hard work and creativity. We're honored you've chosen to be part of our community and can't wait to watch your child grow and shine.

Elite Dance Academy Mission Statement

Dress Code Policy

At Elite Dance Academy, our dress code plays an important role in your dancer's success. Proper attire allows for full range of movement, promotes focus, and encourages a respectful, disciplined learning environment. Each class has a specific dress code based on the dance style to support safe and effective training.

When you enroll your student, you will receive detailed dress code requirements for each class. It is the responsibility of the dancer and parent to ensure the student is dressed appropriately for each session.

General Dress Code Guidelines:

- **Required dancewear and correct dance shoes** must be worn to all classes.
- **Jeans and street shoes** are not allowed inside the studio.
- **Hair** must be pulled back neatly in a **bun** for all classes.
- **Jewelry** is not permitted for safety reasons.

Students who arrive out of dress code may be asked to sit out of class. Continued failure to follow dress code guidelines will result in parent contact and may lead to removal from the program.

We appreciate your cooperation in helping us maintain a focused, professional, and safe environment for all of our dancers.

Parent Engagement & Lobby Policy

At Elite Dance Academy, we believe that your involvement as a parent or guardian is essential to your child's success in dance. Your encouragement, support, and commitment help build your dancer's confidence and love for learning. We value a strong partnership with our families that promotes respect, professionalism, and a positive experience for all.

We are committed to creating an environment where dancers can thrive both physically and emotionally, and where families feel informed and connected.

Parent Involvement Expectations:

- Support regular attendance and a positive attitude.
- Show courtesy and respect to all instructors, staff, and fellow families.
- Reinforce values like teamwork, dedication, and discipline at home.

Lobby & Drop-Off Procedures:

To support a calm, focused studio environment, our lobby is only open to families of our youngest dancers. All other parents/guardians will be asked to wait outside during class time.

- **One (1) parent/guardian** may remain in the lobby for students in:
 - Parent & Me (18–36 months)
 - Twinkle Tots 2–3 years
 - Twinkle Tots 3–4 years
 - Twinkle Tots 4–5 years
- **Dancers ages 5 and older** should be dropped off at the door and will enter the studio independently.
- Once your dancer enters the studio, **parents should wait outside** during class.
- Dancers under age **10** must be picked up by a parent or guardian at the front door.
- Dancers under age **12** will not be permitted to cross the parking lot without an adult.
- New students who are experiencing separation anxiety may have a parent remain inside for the first couple of weeks

NEW SPOT TV-Coming to Season#14

We're excited to introduce **Spot TV** in Season #14! This secure video streaming service allows parents to watch their dancer's class in real time from a phone, tablet, or computer—without disrupting the learning environment. More information on how to activate your Spot TV access will be provided at the beginning of the season.

Thank you for helping us maintain a safe, focused, and positive environment for all our dancers.

Class Commitment & Etiquette

Success in dance starts with consistent commitment and focus. Technique is built in class, so arrive prepared, leave distractions at the door, and be ready to give your best.

Treat every class as a chance to grow. Dance full-out, stretch further, sharpen your technique, and stay present in the moment.

Respect your teachers by listening closely to all corrections—even those given to others. Corrections are a sign your teacher cares about your progress. Always respond with a positive attitude and a thank you.

Progress comes to those who work hard, stay focused, and value their training.

Preschool Program Overview

Our goal is to provide high-quality preschool dance education in a safe, nurturing, and fun environment. At Elite Dance Academy, we support your child's physical, emotional, and developmental growth through an age-appropriate curriculum and open communication with families.

The first few weeks are a time for your child to get comfortable with their teacher, classmates, and the dance classroom. We focus on building coordination, listening skills, musical awareness, and imagination through music, movement, basic ballet, tumbling, and creative games.

Our **Twinkle Star Dance** program is designed to help young children express themselves and explore their creativity—not just learn dance steps. While your dancer will be introduced to some basics, don't worry if they're not showing off spins or routines right away. Growth takes time, and we're here to guide them every step of the way.

Separation from Parent Policy

Separation from a parent is a big step for preschoolers and a normal part of their growth. As your child learns to attend class independently, they begin to:

- Explore new activities
- Build comfort with classmates
- Trust that you will return after class
- Gain confidence in a new environment

To help make this transition smooth:

- Focus on what your child will *do* in class, not what you'll be doing while they're away.
- Make goodbyes short and positive.
- Ensure your child is with a teacher or engaged before leaving.
- Arrive early so your child feels calm and unhurried.
- If needed, ask a teacher for help with the transition—some tears are normal and often meant for the parent's benefit.
- If your child is upset, do not enter the classroom. Our instructors will contact you if needed

Tears and hesitation are common, especially early on. Our staff is trained to support children through these emotions. In most cases, children settle in quickly with gentle guidance. If a child continues crying for an extended time, we may bring them to you in the waiting area.

If your child resists entering class or seems overwhelmed, don't force them. This can create a negative experience. We encourage all preschool families to try for 3–4 consistent weeks. If your child still struggles to participate, we recommend taking a short break and trying again later.

Separation is a normal part of your child's development and an important milestone in preschool-aged classes. As children grow, they begin to see themselves as independent individuals. When your child separates from you to attend dance class, they are learning to:

- Develop interest and engagement in dance activities.
- Feel comfortable being with other children.
- Understand that parents always return after class

We strongly recommend arriving early to avoid emotional breakdowns that can happen when a child feels rushed or has to enter late. This is especially important at this young age.

Thank you for trusting us with your child—we're here to support both of you through this important milestone.

Class Placement Policy

Our faculty carefully reviews each student's progress to ensure proper class placement. Decisions are based on years of teaching experience and made with the student's confidence and growth in mind.

Placement is highly individual—some dancers thrive with a challenge, while others benefit from building self-esteem in a more comfortable setting. Our goal is to place each dancer where they will succeed, stay motivated, and continue to love dance.

Medical Information

Parents must notify the director/and or teachers regarding children who use an inhaler or who may require medications during their time at Elite Dance Academy. It is also important to inform the director and/or teachers about your child's existing medical conditions or learning disabilities at the time of registration and throughout the school year. Our teachers are trained professionals who are eager to work with all children and personalities, and the more we know about your child, the better the dance experience will be for all involved. All information about our students is kept confidential.

Staying Informed

We work hard to make the dance experience organized and fun. Keeping you informed is one of our primary goals. Our main forms of communication are our Band App and email. Be sure we have the best email for your dancer on file to ensure you don't miss any important information and join our Band App. If you have any questions regarding the information distributed, we encourage you to contact the front desk.

Student & Parent Use of Social Media

At Elite Dance Academy, we promote a positive, respectful, and safe environment both in and out of the studio. The use of social media by students and parents must reflect these same values. Please review the following guidelines:

Tuition Policy

Tuition is averaged into 12 equal monthly payments and is not based on the number of classes per month. Monthly tuition remains the same regardless of absences, holidays, breaks, or cancellations.

- There is a non-refundable Membership Fee of \$49 for Standard and \$99 for Premium this fee is a per student fee. No Family discounts
- EDA does not give refunds or credits nor will we apply a credit from one student to another student's account for any reason.
- Membership fee and first month's tuition is due at time of registration.
- All families are required to enroll in autopay for monthly tuition to ensure convenience and timely payment. You may choose to have your payment processed on either the 1st or the 5th of each month—whichever best fits your schedule.
- Payments will be charged to the card on file on the selected date. A \$10 processing fee will apply to any declined payments. It is your responsibility to ensure that your card information is current, the card is unlocked, and sufficient funds are available.
- Accounts unpaid after the 7th of the month will result in your dancer being unable to attend class. A \$25 late fee per student will be applied to any tuition not paid by the 7th. Tuition and late fees are required to be paid before students can return to class.
- Tuition will continue to be due until "Elite Dance Academy" receives a written drop notice 30-day in advance (the form is available at the front desk and on our website). You are still responsible for tuition covering the 30-day notice. Please do not assume if students miss class for 30 days, they will automatically be dropped. Accounts with a past due balance after 45 days will be turned over to a collection agency.
- Tuition and registration fees are **non-refundable and non-transferrable**.

Fundraising Policy:

Fundraisers are optional and offered as a way to help offset recital fees and tuition costs. All proceeds raised will be applied directly to your dancer's account toward these fees. Unused fundraiser credits remaining after 6 months will be removed and no longer available for use.

Reporting Absences, Attendance, & Tardiness Policy

Please report all absences as soon as possible, by text message to 833-488-2195, phone 559-627-3200, or via email at elitedanceinfovisalia@gmail.com.

If a student arrives after class has started, they must check in at the front desk before entering. Dancers arriving 10 or more minutes late will not be allowed to participate in class and will not be eligible for a make-up class.

Good attendance and punctuality are vital to your dancer's success and the progress of the entire class.

- Attendance is taken at the start of each class. Excessive absences or chronic tardiness may result in a dancer being asked to withdraw from one or more classes.
- All classes begin with a warm-up, which is essential for injury prevention and optimal performance. Without proper warm-up, dancers are at greater risk of injury.
- Dancers arriving more than 10 minutes late will not be allowed to participate. They are expected to quietly observe the remainder of the class.

Arriving late also creates distractions for instructors and fellow students. While we understand occasional emergencies arise (car trouble, work delays, etc.), regular timeliness must be a priority.

We appreciate your support in reinforcing the importance of responsibility and respect by ensuring your dancer arrives on time, ready to learn.

Injuries

If a student sustains an injury that prevents participation in class for more than three weeks, a doctor's note must be provided stating the duration of the absence. Parents may request to have their student temporarily dropped from class until they are able to return. Please note: Tuition already paid is non-refundable and will not be credited for future use.

Classroom Conduct

Dance requires discipline, commitment, and respect. Disrespectful behavior toward teachers or fellow students will not be tolerated. This includes excessive talking, refusal to participate, or disrupting the class.

Disciplinary Actions:

- 1st Offense: Students will be asked to sit out and observe.
- 2nd Offense: Student will be dismissed from class and a parent will be contacted.
- 3rd Offense: Conference with parent and student.
- Final Step: Students may be dismissed from the program.

All students are expected to show respect to their instructors at all times. Repeated or serious misconduct may result in removal from the school.

Termination of Enrollment

In rare circumstances, Elite Dance Academy reserves the right to terminate a student's enrollment if it is deemed in the best interest of the student, other students, or the studio. Every effort will be made to resolve issues prior to termination.

Grounds for Termination May Include (but are not limited to):

- Repeated failure to follow dress code after reminders
- Disruptive or unsafe behavior by the student or parent
- Verbal or physical abuse toward other students, staff, or property
- Smoking or vaping on studio premises
- Inability of the studio to meet the student's needs

- Timely Pick-Up: Students must be picked up within 10 minutes of class ending. A fee of \$15 per 15-minute increment will be charged for late pickups.

- Viewing Classes: Parents may quietly observe for short periods without distracting students. Designated parent viewing weeks will be scheduled.

- Parking: Park only in designated areas in front of the building. Please do not use spaces reserved for neighboring businesses.

- Respect Boundaries: Parents and students may not enter the office area. Please use the front desk for assistance. For private concerns, ask a staff member to arrange a confidential conversation.
- Classroom Interruptions: Never interrupt a class. If you need to pick up your child early, notify the front desk staff.
- Electronics: Cell phones, tablets, and other devices may not be used during class. Phones must be silenced and stored in dance bags. EDA staff may collect devices and return them at the end of the day if misused.
- Communication: Do not contact staff directly via personal phone, social media, or messaging. All communication must go through the studio office or email.
- Studio Conduct: Negative speech about teachers, students, or parents—whether from EDA or another school—will not be tolerated.

Elite Dance Academy reserves the right to refuse service to anyone.

Lost and Found

Please label all dancewear, shoes, and personal belongings with your child's name. While we do our best to return lost items, Elite Dance Academy is not responsible for personal belongings brought to class. If your child misplaces something, check the Lost and Found bin located in the lobby. Unclaimed items will be donated to Goodwill after 30 days.

Make-Up Class Policy

Make-up classes are no longer offered, except in cases of studio-wide closures. Dance is a commitment, much like any other sport, and consistent attendance is important for progress and team unity. Exception: During the months of July, August and September, up to two make-up classes per month may be scheduled to accommodate planned vacations.

Special in Studio Events:

Show & Shine Week

For classes ages 2–3 yrs, 3–4 yrs, and 4–5 yrs, we host Show & Shine Week during the last full week of each month in the following months: August, September, October, January, February, March, and April.

During Show & Shine Week, parents are invited into the classroom for the last 5–10 minutes of class to observe and celebrate their dancer's progress and the skills they've been working on.

Guidelines:

- Limit of two adults per student.
- Please arrive on time and silence all devices.
- No siblings or additional guests allowed inside the classroom during this time

We look forward to sharing your child's growth and accomplishments with you each month!

Bring-a-Friend Week

Students may bring a friend (similar in age is preferred to ensure friend is able to attend the same class) to dance class to experience a fun class designed for them and their guests. Student's friends attend class free of charge during this week. Make sure to bring a completed waiver to class. Dates will be posted throughout the season.

Bring a Parent to Dance Week

We are excited to offer Bring a Parent to Dance Week, held once a season! This special week gives parents the opportunity to step into the studio and experience the joy, movement, and learning that happens in class.

What to Expect:

- One parent or guardian is invited to actively participate alongside their dancer.
- Wear comfortable clothes and shoes—be ready to stretch, move, and have fun!
- Parents will join their dancer for warm-up, basic exercises, and possibly learn a short routine.
- This is a great way to connect with your child and see firsthand what they're learning.

Dates will be announced throughout the season—please watch for updates via email and Band app posts.

Elite Dance Academy hosts two major performance opportunities each season:

- **Holiday Show: December 14, 2025**

Recital Picture Day

Class and individual pictures will be taken at the studio. All dancers participating in the recital should plan to attend picture day. Picture, video and action photos at recital are included in recital participation fees. Each dancer will take a photo in each costume and a group photo of each dance they are in. Fees can't be refunded or credited in the event your dancer is unable to attend or participate.

Costume Pick-Up

- Costume orders placed after the initial deadline will incur a \$25 late fee, plus any applicable rush shipping charges.
- Late costume orders are not guaranteed to arrive before picture day and are subject to Studio Director approval.
