We are excited about our Annual Dancing Holiday Magic Spectacular on December 17th at the Visalia Convention Center. **Your child's is in show #2 at 4:00PM.** All classes have been working very hard on their dances, remember attendance is very important to ensure dancers feel confident when performing, so please make every effort to have your dancer in class each week.

Attached is a list of your child's class(s) and costume(s), you will need to be sure your child has the correct style and color of shoes. Tights and any required accessories will be given with your costumes. If you need new dance shoes please make sure to purchase them early, we do have many in stock but in the event we need to order we need about 14 days for turnaround time.

**Combined Classes for Recital**

**Picture Day**

Picture day is scheduled for Saturday, December 9th see the attached schedule for your student's exact time. Dancers should arrive 15 minutes prior to scheduled picture time with hair, and make-up (see requirements), and be dressed in their first costume according to the picture schedule. We cannot wait for any late dancers so please arrive 15 minutes early. Picture orders and payments are made directly to the photographer, Recital Portraits. This is a **NEW** *photographer* and they have many different picture packages, digital packages, Al A Carte options, canvas prints, key chains, water bottles and more! Parents are not allowed inside the photo area. Lastly, please remember we will be on a very tight schedule on picture day so please be on time.

**Costume Pick up**

Costumes pick up will be the week of December 4th - December 8th during dancer's regular scheduled class time. Costumes will only be released to an adult. Dancer's account must be paid in full, which includes any recital/costume fees, December tuition, and any other outstanding balance in order for costumes to be released. We provide each dancer with one pair of the required tights for costumes. If a dancer loses or ruins tights, parents will be responsible for purchasing an additional pair. We highly recommend purchasing an extra pair for younger dancers in advance. Tights are \$10 a pair at the front desk.

**Show Day Arrival**

Dancers should arrive 45 minutes prior to showtime with hair, make-up and dressed in costume for their first dance. Upon arrival please check your dancer in at the check-in table with EDA staff members and they will take them back to the holding room. Dancers are required to remain backstage until the end of the show with the exception of our Parents & Me classes only. If for any reason your dancers leave prior to the end of the show, they will not be allowed to perform in our June show. No Exceptions! We must remember that there are other dance friends who haven't danced yet and if everyone leaves after they perform there wouldn't be anybody left to watch the remaining dancers.
